

## Privacy Policy

This Privacy Policy outlines how Electronics International, Inc. (“EI”) uses and protects your data on our website.

Policy updates may occur. Please check this page for changes.

### **Data We Collect:**

- IP address
- Contact info for tech support
- Payment details for purchases

### **We Use Data To:**

- Handle orders and payments
- Provide support
- Improve products and services
- Optimize our website

### **Data Security**

EI is committed to data security. We employ current technologies to prevent unauthorized access, data theft, and disclosure.

### **Cookie Policy**

By allowing cookies, you permit EI to gather data on your online activity. We use this information to improve your EI purchase, support and website experiences.
